Open Faculty Position at Analytical Chemistry at METU

The Department of Chemistry at Middle East Technical University (METU) invites applications for a full-time tenure track faculty position in **Analytical Chemistry** at the Assistant Professor level.

Required qualifications include: Ph.D. in Analytical Chemistry, evidence of potential for establishing and maintaining an outstanding academic research program in Analytical Chemistry, ability to teach graduate and undergraduate courses in Analytical Chemistry and General Chemistry, and excellent command in English language. Applicants should demonstrate ability to initiate and sustain an externally funded research program.

Ph.D. in chemistry, or related discipline is required at the time of hiring and at least two years postdoctoral experience is required. Successful candidates must be committed to quality undergraduate education and will be expected to develop and maintain an active research. A minimum TOEFL iBT score of 102/120 (or equivalent) is required. Please check the site "<http://pdb.metu.edu.tr/ogretim-uyesi-atamaları-icin-gecerli-minimum-ingilizce-sinavi-puanları>" for details.

Interested applicants should send the following by e-mail to acirpan@metu.edu.tr with a subject line of "Analytical Chemistry Faculty Position"

- *Cover letter* (including summary of past and ongoing research),
- *Curriculum vitae and list of publications*,
- *Research and teaching statements*,
- *Names of three references*.

There is no application deadline, review of completed applications will begin immediately and will continue until all the positions are filled.
